

SEE Firestone GUM · DIPPED TIRES MADE

At A Century of Progress

WE INVITE you to visit the Firestone Factory and Exhibition Building at "A Century of Progress," to see the interesting processes in tire manufacturing—crude rubber being prepared in the huge massing machine—cotton cords absorbing eight pounds of pure rubber to every one hundred pounds of cord in the spectacular Firestone patented Gum-Dipping machine—the efficient tire building machine and curing mold. See the dynamic exhibits of Firestone Tires—Batteries—Spark Plugs—Brake Lining and One-Stop Service.

The Firestone Singing Color Fountain in the gardens is a marvel of beauty and the only one in the world. Vocal and instrumental concerts given every day and night.

Firestone—chosen by "A Century of Progress" to represent the rubber industry in the Hall of Science—graphically presents the old method of gathering wild rubber in the jungle and preserving over smoky fires. Also the modern method on Firestone Plantations in Liberia, Africa, and many other scientific exhibits.

The Firestone Exhibits are among the most outstanding and educational at "A Century of Progress."

Cash... or Sympathy?

Which will you get in the event of Accident or Sickness?

You can now protect yourself and family under a limited coverage policy for only . . . **\$10** a year

THIS IS A REPRINT FROM THE "Insurance Almanac"

"The North American Accident Insurance Company, of Chicago, was the pioneer in personal accident and health insurance in America, having been organized in 1886, and it is also the largest company writing those lines exclusively. It has paid to policyholders on claims over \$18,000,000 since organization . . . above all others, the business of accident and health insurance in the country owes an everlasting obligation for . . . whole-hearted efforts to help develop the ethics of the business to a high degree and place it on a high plane . . . has always given generously . . . in this work, supporting . . . every movement of merit for the betterment of the business."

THE INSURANCE ALMANAC, AND WHO'S WHO IN INSURANCE, is an official rating book in the insurance field. It is constantly used by men who know insurance and gives the confidential standing of all important companies. This is another instance of the integrity of this famous old line company.
